Sustaining his Legacy

The Father Joseph Walijewski Legacy Guild was established to sustain the legacy and promote the cause of the Servant of God, Father Joseph Walijewski. Since its inception in 2013, over 1,800 people have become members. These members have taken the time to learn more about Father Joe's life, prayed for his beatification and canonization, and helped sustain the legacy he left behind through their financial contributions.

While the canonization process is important to the mission of the Father Joseph Walijewski Legacy Guild, the task of preparing the documents and testimony for delivery to the Congregation for the Causes of Saints at the Vatican typically

takes about five years. The ongoing and chief task of the Father Joseph Walijewski Legacy Guild is to provide financial sustainability and leadership for the missions and organizations started by Father Joe that are still serving countless people today.

**"The chief task is to
provide leadership
and financial
sustainability
for the missions started
by Father Joe."**

Thank you for your prayers and financial support. Please continue to pray for the advancement of his cause and help spread the word about his life and legacy. Take a few moments to learn more about his life and let his model of humble service guide you in your own pursuit of Christ-like service. If you are able, consider making a financial contribution to the Father Joseph Walijewski Legacy Guild. Your gift will mean so much.

Father Joe – An Orphan No More

As we ponder the life and works of the Servant of God, Father Joseph Walijewski, we may ask ourselves what would inspire someone to work so hard and for so long in a place so far from one's homeland? What was it that fuelled his energy and gave him consolation for so many years?

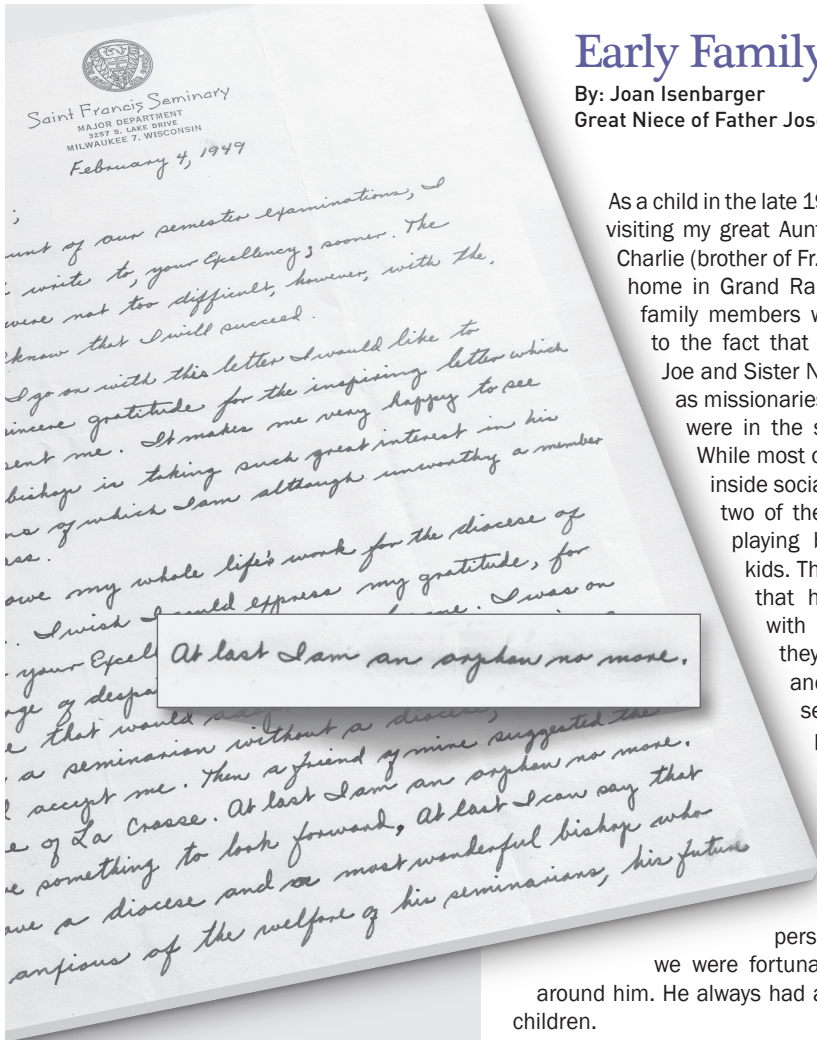

Clues to answer those questions are found in some of his early writings.

When Father Joe was finishing his first year of seminary in Michigan, it was determined that he didn't fit their profile so he was told to pursue another calling. Perhaps his simple upbringing or his difficulty with some college level classes raised doubt in the minds of the Michigan seminary. For whatever reason, young Joseph

Walijewski needed to find out if God's plan for his life was the priesthood, and if it was, it would have to be for another diocese.

Displaying early on his character of seeing a problem and determining to do something about it, he decided to send letters of application to the neighboring dioceses asking if they would take him as a seminarian. After several letters went unanswered, someone suggested he contact Bishop Alexander Joseph McGavick of the Diocese of La Crosse. Within two weeks, Bishop McGavick responded to young Joe with a letter asking him to come for an interview. It was that letter that opened the door for him to continue as a seminarian for the Diocese of La Crosse.

Early Family Memories

By: Joan Isenbarger
Great Niece of Father Joseph Walijewski

As a child in the late 1960s, I remember visiting my great Aunt Alice and Uncle Charlie (brother of Fr. Joe) Walijewski's home in Grand Rapids, Mich. Many family members would gather due to the fact that their siblings, Fr. Joe and Sister Noel, both working as missionaries in foreign lands, were in the states for a visit. While most of the adults were inside socializing, I recall the two of them being outside playing baseball with us kids. This is one memory that has always stuck with me. I thought they were pretty cool and thinking they seemed like real people! Fr. Joe always made us feel comfortable and loved by his good-humored personality whenever we were fortunate enough to be around him. He always had a special gift with children.

Father Joe, Mary Walijewski (Fr. Joe's mother) and his sister, Sister Noel. Taken in Grand Rapids Michigan in the early 1960s.

write to him every Easter and Christmas, just to keep in touch. I never really expected him to reply, knowing how busy he was taking care of the needs of others, but on occasion he would drop me a quick note. I once was told that he never liked to write letters so I felt quite blessed when I received mine. From that time on I continued to write to him throughout my adult life.

On October 22, 1977, Father Joe generously traveled from Peru to Michigan to perform my wedding ceremony in a Catholic church to a non-Catholic man who rarely attended church. Over the years Fr. Joe's presence resonated with my husband and me as we raised our two daughters. Additionally, I believe Fr. Joe had an impact on my husband becoming Catholic after attending Mass with us for many years. Last but not least, on April 11, 2013, the seventh anniversary of Father Joe's death, my first grandchild Isabella was born!

So as Father Joe continued to be a Servant of God in other parts of the country, his works were also bearing fruit in the United States, and in particular in our family.

I applaud everyone who is involved with the mission of the Father Joseph Walijewski Legacy Guild. You are doing wondrous deeds to preserve Fr. Joe's legacy. However, I already know that in God's eyes "Father Joseph Walijewski" has already been blessed into sainthood.

A few anecdotes from the family:

A memory from Rosemary, a niece: During a visit to my home, I asked Fr. Joe what he preferred for breakfast; naming pancakes, sausage, eggs, toast and hash browns. He replied "YES" with his childlike grin followed by an explanation that his cook didn't prepare these foods for him in Peru. Needless to say he enjoyed his wholesome breakfast!

Another memory shared by his deceased sister (relayed to Rosemary): When back in the U.S., Fr. Joe would sometimes forget that the rules of the road here were different than driving in the jungle. While traveling back to Wisconsin from Michigan, his car would be loaded to the brim with donated clothes to be shipped to Peru and his foot would be heavy. With these traveling traits, Fr. Joe was becoming quite a favorite subject of the State Police.

EWTN to feature the life of Father Joseph Walijewski

Expected to air in spring 2015, this 60 minute tribute to Father Joseph Walijewski's life and ministry, produced and hosted by Bob Dolan of Bob Dolan Productions, is filled with many testaments to his charism. Tracing his life of devotion and dedication, this feature explores how God's providence guided, and Father Joe's humble service provided the necessary means to minister to those most vulnerable.

Father Joe spent most of his life in South America, but brought with him the cleverness of a Midwestern farm boy. His simple upbringing and can-do attitude allowed him to respond to those in need with extraordinary success. Despite the setbacks he experienced throughout his life, his faith remained strong and his devotion unwavering.

His story of faith and service gives us courage to confront situations placed in our lives, and the resolution to do something about it. Using the model of his life, we will be inspired to see Christ crucified in everyone we meet.

Inscription at the site of Cristo Salvador Parish, the first church established by Father Joseph Walijewski in Villa El Salvador, Peru, which reads 'Place where Mass was celebrated on December 24, 1971 by Cardinal Juan Landazun recognizing Padre Jose Walijewski as the first pastor. In attendance were: nine children, five women, two men, and 15 dogs.'

Bob Dolan, and Monsignor Hirsch are interviewing a Peruvian resident who knew Father Joseph Walijewski while he was living in Villa El Salvador.

Prayer for Beatification and Canonization

Holy and Good God, your servant and priest, Father Joseph Walijewski, through priestly zeal and heroic holiness, defended innocence against the sadness of evil, especially to broken families and helpless children.

Imaging the Compassionate Christ, he led others to the font of sacramental life and the knowledge of Jesus Christ as their True and Only Savior.

Heavenly Father, we humbly pray You to raise up Your servant, Father Joseph Walijewski, whose joyful priestly heart was resolute in the Heart of Christ Jesus, to the courts of heaven;

and, through Your Holy Spirit, who guides and leads the Church, give him to us as a saint and hero of this generation.

Through his example may there be a new urgency of souls for Christ. Through his intercession, I humbly ask (make your intention here) through Christ our Lord. Amen.

Second Anniversary Mass - March 15, 2015

Please mark your calendars for Sunday, March 15, 2015 at 10:30 a.m., when the second anniversary Mass to honor the opening of the cause of Beatification and Canonization of Father Joseph Walijewski will be celebrated at St. Joseph the Workman Cathedral in La Crosse.

Fun facts about Father Joe

A little something for everyone

One way that Father Joe endeared himself, especially to the children of Peru, was his habit of giving out candy. He would have several small hard candies in his pocket and as he would meet and greet the children he would reach into his pocket and give out candy. Many people commented how such a simple gesture would have a lasting impression on those he encountered.

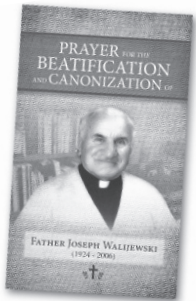

Looking on the brighter side

Later in life, Father Joe was diagnosed with type 2 diabetes and given a strict diet to follow. Barb Swieczak remembers that he would follow his dietary directives as an obedient soul. "When I brought out his portions," Barb Swieczak reminisces, "counting out the potato chips, he took one look and with a tone of disappointment said 'Every rose has it's thorns.'"
